# Wireless Services at Farmers Markets: EBT, Debit & Credit Card Processing

## Current WIC Implementations

Thoughts and considerations  
about the WIC landscape

# FIS' WIC Program Experience

- Acquiring for WIC-Only POS Terminals
- WIC EBT Gateway Services
- Cash Value Benefit Authorizing/Issuing (aka WIC Lite)
- Farmer's Market for CVB

# FIS' WIC Program Experience

- **Acquiring for WIC-Only POS Terminals in NV and CN**
  - In partnership with JPM Chase, we perform:
    - Transaction Acquiring and Settlement
    - Merchant Help Desk
    - Multiple Application Support through VMAC
    - APL File Management
- **EBT WIC Gateway Services in KY**
  - In partnership with WIC Direct and First Data, we perform:
    - Transaction Acquiring and Switching
    - Settlement and Reconciliation

# FIS' WIC Program Experience

- **Cash Value Benefit Authorizing/Issuing (aka 'WIC Lite') in VT**
  - Using a separate card, clients purchase fruits and vegetables at stores in the state that accept EBT.
  - 'WIC Lite' transactions use all the existing EBT infrastructure (SIVR, Client Web, etc).
  - No software changes required for retailers
- **Farmer's Market for CVB - KY**
  - Pilot program in progress with one market
  - Terminal for pilot is only performing WIC CVB transactions
  - Full service wireless POS Terminals for Farmer's Market
  - WIC, EBT, Credit, and Debit

# FIS WIC EBT 2010 Product Build-Out

- **Authorization Platform**
  - Client and Card Management
  - Approved Product List (APL) Management and Distribution
- **Clinic Interfaces and Services**
  - Consolidated, Standardized Web Services with State eligibility systems
  - Web Services for real-time client and prescription maintenance
  - State and Clinic level reporting

# FIS WIC EBT 2010 Product Build-Out

- **Web Presence Enhancements**
  - Agency Portal and *webADMIN* application
  - Cardholder Portal
  - Merchant Portal
- **SIVR**
  - Client and Merchant Access to Data and Customer Support
- **WIC-Specific Reporting**
  - Enhancements to our existing real-time Data Warehouse for on-demand reporting

# FIS' WIC EBT Program Growth

- FIS will complete our WIC EBT solutions in 2011
- Expand our wireless services throughout the US with statewide associations, EBT processors, individual farmers, EBT prime states
  - WIC EBT
  - SNAP
  - Debit Cards
  - Credit Cards
  - FMNP
  - Seniors FMNP
